Description of asset offered

Small portion of road in front of pavement allowing access to flood defences.

Comments received on Public Open Day, 31st January 2026, 11am-3pm:

- Responsibility of Devon Highways.
- Why is this not maintained by Devon Highways?
- Can't see any relevance to A.T.C.
- Again, don't understand why this was not adopted by Devon Highways.
- Agree with all above
- Let Teignbridge keep this as a road, the unitary will have to maintain it anyway
- The constant flooding on the corner needs addressing
- Local Housing Association to take over
