Overnight Resurfacing and Patching works
B3352 West Street and East Street, Ashburton

Wednesday 4th November 2026

Holcim UK, on behalf of Devon County Council, will be carrying out overnight resurfacing and patching works on the B3352 West Street and East Street, Ashburton, between Monday 30th November - Wednesday 9th December 2026 (weeknights only). The highway requires maintenance and these essential repairs will help restore the surface and improve safety.

Work areas

Please see the work areas marked in **orange** and **purple** on the map below. The diversion route can be found on the last page of this letter.

Programme of works

We will be working in two sections:

Section	Date	Location	Type of works
1	Monday 30th November – Thursday 3rd December	West Street: From Bowden Hill junction to North Street junction.	Resurfacing
2	Tuesday 1st – Wednesday 9th December	East Street: From North Street junction to Ballands Lane junction.	Patching

Please note the works on East Street will not start before the works on West Street are completed. The dates in the sections are overlapping in case the works on West Street are completed earlier than scheduled so we can immediately start the works on East Street.

Access

The road will be closed from 19:00 – 06:00. Access queries should be directed to our gatemen on site who will be glad to assist. Access for emergency vehicles will always be maintained.

Parking

We kindly ask that vehicles are not parked on the roadside during the works, as this enables us to carry out the works safely and treat the full length of the road. Please note that vehicles left within the works area may be at risk of being towed away.

Any changes to the start date or duration will be shown on advisory signs on site. We will do our best to complete the work quickly and minimise disruption. Your co-operation and understanding are greatly appreciated.

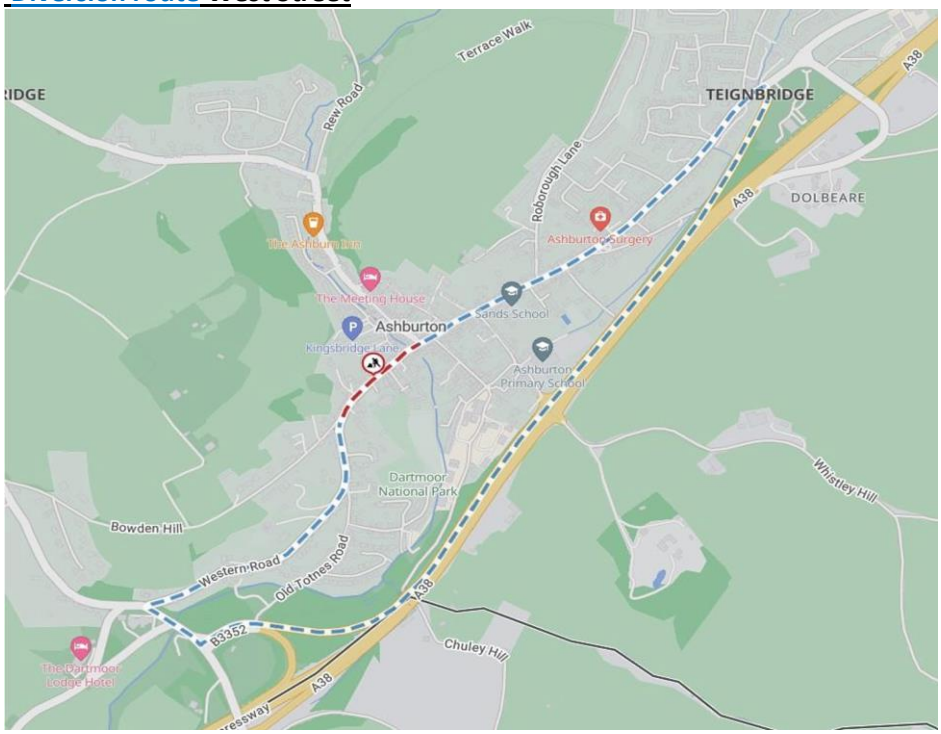

Information on current and planned roadworks in your area can be found on the Causeway one.network: https://one.network/public

Should you have any questions please contact us and we will do our best to try to help.

Kind regards,

Julia
